The Sum Assured under Basic Policy, the Date of Risk Commencement, the Date of Policy Commencement, the Premium Term of the Basic Policy and the Date of Policy Maturity are as shown in the Schedule.

- Minor Lives:** If the Policy is issued on the life of a minor, the Policy will automatically vest in the Life Assured on his attaining majority.
- Participation in Profits:** The Company shall determine yearly, as a Bonus, that part of the divisible surplus if any, as may be distributed to this Policy. Payment of such bonuses shall be as per norms described in the Policy Bonuses provision of this Policy.

4. **Policy Bonuses:** Cash bonuses, if any declared under this Policy, will become payable on Policy anniversary following declaration of bonus, provided the Policy is in force for the full Sum Assured. Depending upon the option exercised by the Policyholder the Cash Bonus is either payable in cash or adjusted towards future premiums or left to accumulate with non-guaranteed interest at the rate set by the Company from time to time.
5. **Guaranteed Cash Surrender Value:** If at least three full years' premiums have been paid, the Policy may be surrendered for cash surrender value, which will be determined by the Company from time to time.

The minimum cash surrender values payable under the Policy shall be the Guaranteed Cash Surrender Values after three full years' premiums have been paid and are calculated as 20% of the total of full years, premiums paid, excluding all extra premiums LESS 20% of all survival benefits paid, if any.

The guaranteed Cash Surrender Value for the fractional number of years of premiums paid shall be calculated by interpolation.

The net cash surrender value payable shall be the cash surrender value less any indebtedness under the Policy, including any Policy loans, interest due on such loans and any premiums due but unpaid. Any remaining bonus accumulation at the time of surrender is payable together with the net cash surrender value. The Policy terminates upon the payment of the net cash surrender value.

6. **Non-Forfeiture Provisions:** If three full years' premiums have been paid and if any subsequent premium due has not been received by the Company and the Policy has acquired a cash surrender value, the policy shall be continued without further premiums as a non-participating paid up assurance for the remaining duration of the Policy with the following benefits obtained by converting the cash surrender value available at the then attained age of the life assured and on the terms and conditions prevailing and ascertained at that time.
 1. A reduced paid-up Sum Assured to be paid on death of the Life Assured before the Date of Policy Maturity
 2. A reduced paid-up Survival Benefit to be paid on survival of the Life Assured at the Date of Policy Maturity

The minimum amount of benefits under the paid-up assurance shall be calculated as per the formulae given below.

1. Reduced paid-up sum assured payable on death before the Date of Policy Maturity

$$\text{The reduced paid-up Sum Assured} = \frac{\text{[Number of premiums paid]}}{\text{Total number of premiums payable}} \times \text{[Sum Assured under Basic Policy]}$$

2. Reduced paid-up survival benefit payable on survival of the Life Assured to the end of Date of Policy Maturity

$$\text{The reduced paid-up Sum Assured} = \frac{\text{[Number of premiums paid]}}{\text{Total number of premiums payable}} \times \text{[Sum Assured under Basic policy]}$$

LESS Total of Survival Benefits already paid, if any

The reduced paid-up Sum Assured and the reduced paid-up Survival Benefit will be applicable subject to the amount being a minimum of Rs.100/-.

A reduced paid-up Policy shall cease to participate in the profits of the Company from the earliest date at which the premium was due and not paid. Any remaining bonus accumulation at the time of conversion into paid-up assurance, may be withdrawn by the Policyholder or left to accumulate until the Date of Policy Maturity, when it becomes payable.

After the Policy is made paid-up for a reduced sum assured, any subsequent survival benefit as provided under condition 1 (one) above titled "Benefit" shall cease to become payable. Any loan under the policy along with any accrued interest due on such loan will be deducted from the benefits paid under the Policy.

The Surrender values and Non-forfeiture provisions apply only to the Basic Policy mentioned in the Schedule and not to any Riders.

7. Policy Loan: At any time after three full years' premiums have been paid, if any net Cash surrender value is available under the Policy, the Policyholder may obtain a loan on the sole security of the Policy and on its proper assignment to the Company. The maximum amount of loan that will be advanced will not exceed 80% of the available cash surrender value and provided that the amount of loan is not less than Rs.1000/-. The rates of interest payable on the loan and other terms and conditions of the loan shall be as determined by the Company from time to time. Any further loan will be given after deducting any previous loan with interest. All outstanding loan and interest thereon, shall be deducted from any benefits payable under the Policy. If at any point of time, the loan along with outstanding accrued interest exceeds the value of benefits payable under the policy, the policy will be forfeited and no benefits will be payable. The company will retain the right to call for re-payment of the loan along with interest by giving a notice to the Policyholder at least one month in advance.

The date of lapse shall be the due date of the earliest unpaid premium. The Company shall immediately thereon, cease to be liable to pay the Sums Assured under such lapsed Policy, except as stated under the non-forfeiture provisions of this Policy, until and unless the Policy has been fully reinstated. The Company reserves the right to accept the reinstatement of a lapsed Policy on its original terms or on modified terms or to reject the reinstatement. Since the Company shall be totally relying on the statements made by the Policyholder/ Life Assured to the Company and to its medical examiner in deciding on reinstatement of a lapsed policy, if any incorrect or untrue statement has been made or any material fact has been suppressed, the Company shall be entitled to cancel the reinstatement of the Policy or repudiate the claim, if any, arising out of such reinstatement and the entire amount paid towards such reinstatement shall be forfeited.

If the age of the Life Assured is found to be different from that declared, the Company shall alter the plan or term and/ or adjust the premiums or benefits under the Policy as it deems fit. If the age of the Life Assured at the Date of Policy Commencement is found to be higher than the maximum or lower than the minimum entry age that was permissible under the plan of the Policy at the time of its issue and where no adjustment is possible, the Policy shall become void from commencement and the premiums paid under the Policy will be refunded, after deducting any amounts paid under the Policy and all expenses incurred and the indebtedness under the Policy, if any, and no other benefits under this Policy shall become payable.
