Guaranteed surrender value (GSV):

1. GSV Factor 1 multiplied by the Total Premiums Paid.
2. GSV Factor 2 multiplied by the total vested bonus accrued to the policy, if any.

The GSV Factors increase with the policy duration and are provided in the table below:

Special surrender value (SSV):

If at least two full years' premiums have been paid the policy may acquire a Special Surrender Value. SSV, at no point of time, will be lesser than the GSV. SSV will be declared by Company from time to time.

For e.g. for a policyholder with entry age of 35 years; Premium of ₹36,000 annually; Policy Term of 20 years and Sum Assured of ₹ 5,93,081, the surrender value (assuming that he has paid 7 premiums and surrenders at the end of 7th policy year and assuming that simple reversionary bonus of 5% p.a. has been declared since policy inception) is calculated as follows:

GSV as a percentage of premiums paid = 50% of all the premiums paid = 50% of (₹36,000 × 7) = ₹1,26,000, plus

GSV as a percentage of vested bonus = 15% of vested bonus = 15% of (₹5,93,081 × 5% × 7 years) = ₹31,137.

Total GSV = ₹1,26,000 + ₹31,137 = ₹1,57,137

SSV = Applicable SSV factor × (Sum Assured + Vested Bonus)/1000 = 218.44 × (₹5,93,081 + ₹2,07,578)/1000 = ₹1,74,896.

The surrender value is higher of GSV or SSV and hence is equal to ₹1,74,896.

All benefits under the policy shall automatically terminate upon payment of Surrender Value.

Free look period:

The Policyholder shall have a period of 15 days (30 days if the Policy is sourced through Distance Marketing# as provided in Distance Marketing Guidelines IRDA/ADMN/GDL/MISC/059/04/2011 dated 05/04/2011) from the date of receipt of the Policy document to review the terms and conditions of this Policy and if the Policyholder disagrees with any of the terms and conditions, he/she has the option to return the Policy stating the reasons for the cancellation upon which the Company shall return the Premium paid subject to deduction of a proportionate risk Premium for the period of insurance cover in addition to the expenses incurred on medical examination (if any) and the stamp duty charges. All Benefits and rights under this Policy shall immediately stand terminated on cancellation of the Policy.

#Distance Marketing includes solicitation through all modes other than in person.
